"On a Learning Journey Together"

Monday 20th January 2025

Dear Parents and Carers,

As part of our school improvement journey, we have been notified today that we will have an Estyn Inspection visit on the following dates: Monday 3rd February to Wednesday 4th February 2025.

As part of the inspection process, inspectors would like to gather information about our school.

There will be an opportunity for parents and carers to meet with inspectors on **Monday 3rd January at 3.45pm**. This is an important opportunity for all our parents to be able to meet with the inspection team. Only parents/careers of pupils currently attending the school should attend. The inspecting team also ask that no children attend with parents. However we can offer a crèche facility to maximise the number of parents and carers that can attend.

The inspection team have provided a link to a parent/carer questionnaire. The link is below together with the QR code which can also be scanned to access the questionnaire. We have been asked to advise that the back button should not be clicked in the browser once the questionnaire has been submitted as this could result in duplicate responses being recorded

Parent/carer questionnaire link is below

Thank you for your participation
